GENERAL AND REVENUE SECRETARIAT

Serial Nos. One

Part B for September 1947

SUBJECT

Amendment of the Mysore Govt. Electricity Rules regarding Deposit to be taken for work.

General and Revenue / Secretariat | File No. | of 194 .

Serial No.

Subject:- Revised Estimate for Rs.40,000/- for extending the masonry breast wall along the Plus 12 sluices in South Brindavan. (5047 P.W.)

Public Works Secretariat Note:

"The question was treated as a Schedule matter while obtaining sanction to the estimate for Rs.32,000/-. The revised estimate for Rs.40,000/- has again to be dealt with in the same manner, there being no provision in the Council Manual to the contrary. In view of the present day conditions, excesses over estimates are inevitable and revision of estimates automatically follows. To prevent the long course of obtaining sanction to such revised estimates and consequential delay in execution, it is necessary to fix up a limit of percentage or amount up to which excesses over estimates sanctioned by His Highness can be permitted with the approval of the Minister and the Dewan and revised estimates sanctioned accordingly."

Amendment to Business Rules -

File No. of 194 . | General and Revenue Secretariat

Serial No.

It is ascertained that the Chief Engineer has been authorised to sanction revised and supplemental estimates to the extent of 10% of the original estimates, sanctioned by Govt, provided ~~this~~ the excess is within Rs. 1,000/=, the revised estimates exceeding these limits being submitted to Govt. Orders have since been issued amending the Proper Govt Business Rules authorising the Minister in charge of the Dept to sanction, subject to the observance of the Rules governing provision in reference to the Finance Dept, estimates between Rs. 10,000/= and Rs 15,000/= while estimates between Rs. 15,000/= and Rs. 25,000/= being approved by the Govt.

According to the Business Rules, all revised estimates, which cannot be sanctioned by the Chief Engineer, are covering to Govt for approval and generally are being treated as Council matter. The P.W. Secty suggests that, with a view to hasten the disposal of the cases, revised estimates, which are within a particular limit, may perhaps be sanctioned by the Minister of the Govt, without their being treated as Scheduled matter.

As the Chief Engineer has been

Submitted to His Highness.

At present estimates for works below Rs.10,000/- are being sanctioned by the Chief Engineer while those between Rs.10,000/- and Rs.15,000/- are sanctioned by the Minister in charge of the Department to which they relate. The estimates between Rs.15,000/- and Rs.25,000/- are being approved by the Dewan. The cases exceeding the limit of Rs.25,000/- are being treated as Council matter and circulated in Council before submitting it for the gracious approval of His Highness.

The Chief Engineer is authorised to sanction the revised and supplemental estimates to the extent of ten per cent. of the original estimates sanctioned by Government provided the excess is within Rs.10,000/-. According to this, all revised and supplemental estimates exceeding Rs.10,000/- are being submitted to Government for sanction, and all these cases are generally being treated as scheduled matter.

With a view to expedite the sanction of such estimates, it is proposed that the Minister in charge of the Department to which the estimates belong, may be empowered to approve of the revised and supplemental estimates, provided they do not exceed 20 per cent of the original estimates already sanctioned by Government and are within Rs.15,000/- and that the Dewan may be similarly empowered to approve of revised and supplemental estimates, when they do not exceed 30 per cent of the original estimates and are within Rs.25,000/-.

I solicit the gracious approval of His Highness to the proposal and to the amendment of the Mysore Government Business Rules accordingly.

Official memorandum no. 90-99/EB. 19-47-1 dt 2.7.1947.

In the above memorandum it is laid down "the revised and supplemental estimates, when they do not exceed 30% of original estimates already sanctioned by Government, and are within Rs 25,000/- may be approved by the Dewan ..." As it is, all estimates not exceeding Rs 25000 and Rs 15000 are now sanctioned by the Dewan and the ministers respectively. As the memo reads, the money limits fixed refer to the estimate amounts themselves while the idea intended to be conveyed seems to be that the money limits of Rs 25000 and Rs 15000 should have reference to the excess over the original estimates. This aspect may have to be duly clarified. Otherwise all cases [illegible] of excess, however small, over the estimates once sanctioned by H.H., have again to be dealt with as a Schedule matter.
